Review of Marking

If you think that your result does not reflect your performance on the day, you can get your paper mark reviewed. You can also get a copy of your script to see how your answers were marked. However, you should speak to your subject teacher who will advise you on what you can do.

If you would just like a copy of your script with the mark scheme the deadline date for this is 23rd February and the cost is £9.00.

The deadline date for review of marking is 9th March and the cost is £18.95.

You can also request a copy along with a review of marking. The deadline date for this is 9th March and the cost is £27.95.

You can request access to your original script; however, if you make this request, you can not request a review of marking. The deadline date is 9th March and the cost is £6.75.

If you require any of the above you **must complete a GCSE Review of Marking Request Form** which can be accessed from the link below.
